

ICAR 2016, Tours, France - Program

MONDAY JUNE 27th 2016												
08.00-08.30	08h00 - 10h30 Opening ceremony + Simmet prize + Plenary 1 Toward an integrative and predictive biology of reproduction											
08.30-09.00												
09.00-09.30												
09.30-10.00												
10.00-10.30												
10.30-11.00	10h30 - 11h00 - Coffee break on the exhibition area											
11.00-11.30	11h00 - 12h30 Workshop 1 Cryobiology of gametes and embryos	11h00 - 12h30 Workshop 2 Canine and feline reproduction	11h00 - 12h30 Workshop 3 Transgenesis technologies and genome editing	11h00 - 12h30 Workshop 4 Seasonality of reproduction and its control	11h00 - 12h30 Workshop 5 Oocyte quality	11h00 - 12h30 Workshop 6 MicroRNA in gametes and embryos						
11.30-12.00												
12.00-12.30												
12.30-13.00	12h30 - 13h30 - Lunch on the exhibition area											
13.00-13.30												
13.30-14.00	13h30 - 16h00 Symposium 1 Sheep and goat reproduction	13h30 - 16h00 Symposium 2 Pig reproduction	13h30 - 16h00 Symposium 3 Buffalo reproduction	13h30 - 16h00 Symposium 9 Horse reproduction								
14.00-14.30												
14.30-15.00												
15.00-15.30												
15.30-16.00												
16.00-16.30	16h00 - 16h30 - Coffee break on the exhibition area											
16.30-17.00	16h30 - 18h00 - Poster sessions											
17.00-17.30												
17.30-18.00												
18.00-18.30												

18.30-19.00	19h00 - 23h French Underground Party Caves de la Croix Douillard
19.00-19.30	
19.30-20.00	
20.00-20.30	
20.30-21.00	
21.00-21.30	
21.30-22.00	

TUESDAY JUNE 28th 2016

08.30-09.00	08h30 - 10h30 Plenary 2 Metabolism and reproduction					
09.00-09.30						
09.30-10.00						
10.00-10.30						
10.30-11.00	10h30 - 11h00 - Coffee break on the exhibition area					
11.00-11.30	11h00 - 12h30 Workshop 7 Camelids reproduction	11h00 - 12h30 Workshop 8 Wild animal reproduction	11h00 - 12h30 Workshop 9 Reproductive management in fish farming	11h00 - 12h30 Workshop 10 Reproductive pathologies	11h00 - 12h30 Workshop 11 Endocrine perturbators	11h00 - 12h30 Workshop 12 Embryo technologies
11.30-12.00						
12.00-12.30						
12.30-13.00	12h30 - 13h30 - Lunch on the exhibition area					
13.00-13.30						
13.30-14.00	13h30 - 16h00 Symposium 5 Reproductive parameters of high yielding dairy cattle	13h30 - 16h00 Symposium 6 Placental function	13h30 - 16h00 Symposium 8 Neuroendocrine control of reproductive function	13h30 - 16h00 Symposium 10 Reproductive management in beef cattle production systems		
14.00-14.30						
14.30-15.00						
15.00-15.30						
15.30-16.00						
16.00-16.30	16h00 - 16h30 - Coffee break on the exhibition area					

16.30-17.00	16h30 - 18h00 - Poster sessions
17.00-17.30	
17.30-18.00	

WEDNESDAY JUNE 29th 2016	
---------------------------------	--

08.30-09.00	08h30 - 10h30 Plenary 3 Somatic environment and oocyte differentiation					
09.00-09.30						
09.30-10.00						
10.00-10.30						
10.30-11.00	10h30 - 11h00 - Coffee break on the exhibition area					
11.00-11.30	11h00 - 12h30 Workshop 13 Embryo implantation	11h00 - 12h30 Workshop 14 Embryo metabolism	11h00 - 12h30 Workshop 15 Estrus cycle control and insemination	11h00 - 12h30 Workshop 16 Strategies for identification and conservation of genetic diversity	11h00 - 12h30 Workshop 17 Evolution of omic tools and integration of omic data	11h00 - 12h30 Workshop 18 Ultrasonography and other imaging methods
11.30-12.00						
12.00-12.30						
12.30-13.00	12h30 - 13h30 - Lunch on the exhibition area					
13.00-13.30						
13.30-14.00	13h30 - 16h00 Symposium 4 Ovarian cortex and follicles culture	13h30 - 16h00 Symposium 7 Genomics of the reproductive function	13h30 - 16h00 Symposium 11 Biomedical applications of transgenesis	13h30 - 16h00 Symposium 12 Early maternal – embryo communication		
14.00-14.30						
14.30-15.00						
15.00-15.30						
15.30-16.00						
16.00-16.30	16h00 - 16h30 - Coffee break on the exhibition area					
16.30-17.00	16h30 - 18h00 - Poster sessions					
17.00-17.30						

17.30-18.00				
18.00-18.30				
18.30-19.00				
19.00-19.30	20h00 - 00h00 Gala Diner - Grange de Meslay			
19.30-20.00				
20.00-20.30				
20.30-21.00				
21.00-21.30				
21.30-22.00				
22.00-22.30				
22.30-23.00				
THURSDAY JUNE 30th 2016				
08.30-09.00			08h30 - 10h30 Plenary 4 Epigenetic control in gametes and embryos	
09.00-09.30				
09.30-10.00				
10.00-10.30				
10.30-11.00	10h30 - 11h00 - Coffee break on the exhibition area			
11.00-11.30	11h00 - 13h00 Plenary 5 Developmental origin of adult animal health and animal production			
11.30-12.00				
12.00-12.30				
12.30-13.00				
13.00-13.30	Closing ceremony			
End of the congress
